English

Lost-wax cast aluminum monolithic sculpture, interrupted by textured fractures that evoke the poetry of contemporary ruins. Alternating satin finishes and raw surfaces create a formal tension between refinement and primal matter. Limited edition.

Italian

Scultura monolitica in alluminio fuso a cera persa, interrotta da fratture materiche che evocano rovine contemporanee. Finitura satinata e superficie grezza si alternano in un gioco di tensione formale. Edizione limitata.

TIPSTUDIO is a design studio that investigates the potential of materials and processes through a critical and experimental approach, aiming to envision new future scenarios. Operating from their studio in Florence and atelier in Pietrasanta, TIPSTUDIO integrates local influences, bridging the gap between design and art. The studio's practice spans creative consulting, research, furniture design, and collectible design, collaborating with galleries, private clients, and brands. Their aim is to explore the intricate aspects of matter through in-depth analysis of physical and immaterial territories, anthropology, and conceptual analysis that translate into product design, spaces, and installations. In 2022, TIPSTUDIO was recognized as part of the "Talent on Show" by Elle Decor during Milan Design Week. Imma and Tommaso are teachers in the Product design course at IED Florence.

Italian

TIPSTUDIO è uno studio di design fondato da Imma Matera e Tommaso Lucarini, che indaga le potenzialità dei materiali e dei processi attraverso un approccio critico, con l'obiettivo di immaginare nuovi scenari futuri. Con sede tra Firenze e Pietrasanta, lo studio integra le diverse influenze del territorio, colmando il divario tra design e arte. TIPSTUDIO sperimenta con i materiali partendo dall'analisi dei luoghi, aspetti antropologici e ricerche concettuali, traducendo queste riflessioni in prodotti, spazi ed installazioni. La pratica dello studio spazia dalla progettazione e produzione di arredi e accessori al collectible design, dalla consulenza creativa alla ricerca. Creano prodotti in edizione limitata collaborando con gallerie, clienti privati e brand. Nel 2022, TIPSTUDIO è stato riconosciuto come parte del "Talent on Show" da Elle Decor durante la Milan Design Week. Imma e Tommaso sono docenti presso la sede di IED Firenze nel corso Product design.
