Luigi Cavalli — итальянский предприниматель и творческая личность, родившийся в Cesenatico в 1947 году. На протяжении более пятидесяти лет его профессиональный путь определял развитие IPE и Visionnaire. Завершив обучение в Bologna, в конце 1960-х годов он присоединился к семейной компании IPE, где приобрёл глубокие знания производственных процессов, международных рынков и инженерной разработки продукции. Эрудированный путешественник и предприниматель, добившийся успеха собственными силами, он сумел объединить деловое видение с художественной чувствительностью, выстроив постоянный диалог с дизайнерами и открыв для компании новые творческие и коммерческие горизонты. В 2004 году вместе со своими детьми Eleonore и Leopoldo Cavalli он основал Visionnaire, преобразовав IPE из компании, специализирующейся на мягкой мебели, в глобальный бренд в сфере luxury lifestyle. Сегодня он продолжает вносить вклад в развитие Visionnaire в качестве консультанта по стилистическому развитию продукции, сохраняя свою многолетнюю страсть к исследованиям, материалам и инновациям в дизайне.
