English

Hand-tufted rug in bamboo silk and New Zealand wool, shaped by a manual carving process that sculpts the surface into soft reliefs and discreet graphic accents. The combination of natural fibers creates a silky yet warm texture, while the cotton base ensures both comfort and structural integrity—a perfect balance of artisanal technique and material richness.

Italian

Tappeto taftato a mano in bamboo silk e lana New Zealand, definito da una lavorazione carving eseguita manualmente che scolpisce la superficie creando rilievi morbidi e grafismi discreti. La combinazione delle fibre naturali restituisce una texture setosa e calda, mentre la base in cotone garantisce stabilità e comfort, in un equilibrio calibrato tra tecnica artigianale e matericità.
