Design:

VISIONNAIRE

English

Hand-tufted rug in regenerated nylon, characterized by an organic silhouette and a textured surface enriched with delicate shades of ivory, sand, and pale green. Subtle chromatic variations and the soft movement of the pile create visual depth and muted reflections, evoking mineral surfaces naturally shaped over time.

Italian

Tappeto taftato a mano in nylon rigenerato, caratterizzato da una silhouette organica e da una superficie materica attraversata da delicate sfumature nei toni avorio, sabbia e verde pallido. Le leggere variazioni cromatiche e l'effetto mosso del vello generano profondità visiva e riflessi soffusi, evocando superfici minerali modellate naturalmente dal tempo.
