VISIONNAIRE

English

Table lamp defined by a prismatic structure with three smoked artistic glass diffusers featuring an irregular surface. A central linear LED source is paired with an opaline methacrylate diffuser, creating a soft and diffused glow. The hexagonal metal base reinforces the geometric composition. Metal parts are available in the selection of metal finishes.

Italian

Lampada da tavolo caratterizzata da una struttura prismatica con tre diffusori in vetro artistico fumè dalla superficie irregolare. Una sorgente LED lineare centrale è abbinata a un diffusore in metacrilato opalino, che genera una luce morbida e diffusa. La base in metallo a forma esagonale valorizza la composizione geometrica. Le parti metalliche sono disponibili nella selezione finiture metalliche.

English

I worked, designing my new products for Visionnaire, on the search for unusual aesthetic values, creating forms and compositions defined by the contrast between profoundly different materials: natural ones - mainly stones and woods - as opposed to artificial ones - glass and metals. Metals, essences, marbles, skins and glasses transmit, through their refined combination, preciousness, value and excellence.

Russian

При работе над новой коллекцией Visionnaire я стремился к поиску необычных по своей эстетике форм и композиций, строящихся на контрасте фактур: такие природные материалы, как дерево и камень противопоставляются материалам, созданным человеком – стеклу и металлу. Изысканное сочетание металла, древесины, мрамора, кожи и стекла является выражением роскоши и эксклюзивности.

Italian

Nel disegnare i miei nuovi prodotti per Visionnaire ho lavorato sulla ricerca di inusuali valori estetici creando forme e composizioni definite dal contrasto tra materiali profondamente diversi: quelli naturali – principalmente pietre e legni - contrapposti a quelli artificiali- vetri e metalli. Metalli, essenze, marmi, pelli e vetri trasmettono, attraverso la loro raffinata combinazione, preziosità, valore ed eccellenza.

在为 Visionnaire 创作新品时，我始终致力于探索独树一帜的美学价值，通过截然不同的材质（尤以石材与木材为代表）与人造材质（如玻璃、金属）之间的鲜明碰撞，塑造极具张力的造型与构图。金属、木材、大理石、皮革与玻璃经由精妙融合，将珍贵质感、非凡价值与卓越工艺淋漓呈现。
