Design:

English

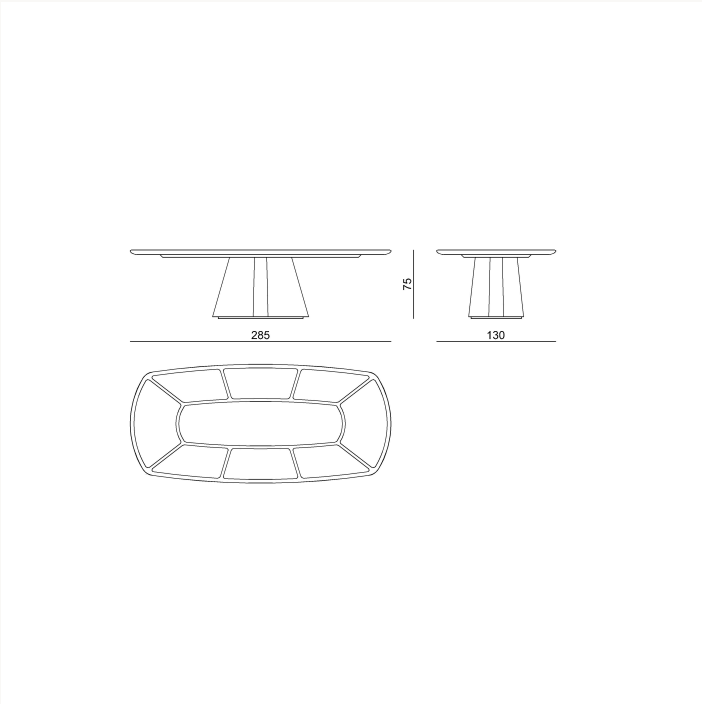

Table that combines marble's solidity with leather's visual softness, featuring a multilayer wood top punctuated by "leather" finished marble inserts separated by thin upholstered dividers. The half-round shaped edge is finished in leather with visible stitching that recalls traditional saddlery craftsmanship. The top is also available in a mono-material marble version with a shaped leather-upholstered under-top. The conical satin-finished steel base, draped in shape, is also offered in an upholstered version, balancing materiality, form, and detail.

Tavolo che combina la solidità del marmo alla morbidezza visiva della pelle, con un top in legno multistrato scandito da inserti in marmo a finitura "leather", separati da sottili divisori rivestiti. Il bordo, sagomato a mezzo toro, è rifinito in pelle con cuciture a vista che richiamano la tradizione della selleria. Il top è disponibile anche in versione mono-materica in marmo, con sottotop sagomato rivestito in pelle. La base conica in acciaio satinato, modellata a drappo, è proposta anche in versione rivestita, per un equilibrio tra materia, forma e dettaglio.
